## **Randy McGuire Biography**

**Since 1985 Randy has been a credentialed minister serving in staff positions and as a lead Pastor. For the Past 19 years Randy has been a Vice President of a denominational lender assisting in excess of 200 churches across the nation with financing and consulting. Those projects have ranged in size form \$20K to over \$12 Million. Randy has extensive knowledge in the development and construction of church facilities as he served as a project superintendent for a construction company prior to being in full time ministry.**

**Randy holds a Bachelor degree from New Hope Christina College and an MBA from Corban University. In his spare time Randy is an Adjunct Professor at a small local Bible College where he reinvests his experience in developing future ministry leaders. One of Randy's core values is a lifelong passion for helping people make life better, one person at a time. Maintaining the perspective that church financing is a tool that assists in the release of ministry to individuals, one person at a time, keeps ministry at the forefront of the facility development and financing process. Using his Financial and Construction experience coupled with his ministry experience gives Randy a unique insight, and skill set, to assist churches navigate the complex task of the development of facilities for ministry.**
